TRANSLATION

Hello,

We encourage you to download and use the *Clic école* mobile application now. Simple, secure and convenient, it allows you to monitor your child's schooling directly on your phone.

With the *Clic école* application, you can:

- Check your child's school calendar easily, and find the homework and activities to be completed for each subject, as well as evaluation results.
- Start a conversation with the school or reply to a message from a member of the school team.
- Notify the school of an upcoming absence or view your child's history of absences and late arrivals.
- At a glance, consult official documents intended for you, such as report cards, tax slips and statements of accounts.

Please note that parents who do not have access to a mobile device may continue to use Parent Portal (web version), which also includes the new Message inbox. .

We encourage you to watch this short [video](#) to get an overview of what the *Clic école* application has to offer.

Steps to follow

If you have not already done so, please download the *Clic école* mobile application from the App Store or Play Store, depending on the type of mobile phone you use.
